BACKGROUND

The Visionaries of Uganda is a private development consultancy firm promoting Uganda Vision 2040 and other initiatives in partnership with Government of Uganda, private sector and development partners through public private partnerships.

PROJECT 1: THE ANNUAL VISIONARIES OF UGANDA AWARDS CEREMONY

The Visionaries of Uganda organizes the Annual Visionaries of Uganda Awards Ceremony since 2013 and other diplomatic functions.

Over the last 14 years the organization has been conducting surveys, Research reports bringing out infinite aspects on organization, companies, personalities and their impact to society development.

We also highlight achievements and progress of best performing Government institutions, organizations, private companies and inspiring personalities.

The Visionaries Awards boosts the profiles of organization's whose innovative efforts have impacted on the lives of millions of people and increased social economic transformation of Uganda.

The Visionaries Advisory Board together with a team of researchers conducts assessments, surveys and evaluation of nominated organizations which is presented to the technical committee of the board to access winners nominated in different sectors.

PUBLICATIONS

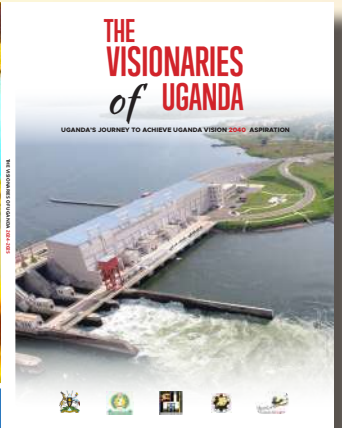

We also publish The Visionaries of Uganda Handbook with well researched educative profiles, articles and supplements highlighting achievements of organizations, companies and personalities.

It's distributed to all government departments leading companies and all bookshops and super markets in Uganda.
